

# GameOn COIN TOSS FunRaisers

## How to increase the value of your coins!

- Ask local business for help! A free cup of coffee on Tuesdays, 1/2 off an appetizer on Wednesdays, it all adds up and will help you make more money!
- Offer weekly or monthly prizes to coin holders; it could be anything from a school branded t-shirt to an iPad.
- Work with the school store and offer a percentage off school branded products on the first Friday of the month.
- Have specials for coin holders at the concession stand such as buy one popcorn get one free or 15% off your total order.

You could even offer sport specific incentives like:

- A winner could be selected to "toss" the coin at the homecoming game.
- A winner could win a ball, puck etc. signed by the team.
- A winner could have the school mascot attend one of their events.

The possibilities are endless! Work with your community to help add value to your coins. The more value you attach equals more excitement about your program. More excitement means you will sell your coins faster, make more money, and have people want to participate again in the future!
