

GameOn COIN TOSS FunRaisers

Why Should Someone Buy a Coin?

- They are supporting a local team or organization.
- Receive exclusive offers for coin holders only from your organization.
- When a supporter purchases and registers one of your coins, they are eligible to win prizes.
- Have the ability to use the built in private members only community feature on the website.
- They have access to discounts provided by local businesses.
- Have an impact on local economy by shopping at discount partner locations.

The more excitement you build the faster your coins will sell and the more people will want to participate in the future.
